

**Shyam Palreddy**  
**Founder**

Shyam is the founder of GGK. He has more than 20 years of professional experience in the Industry. At GGK, Shyam works very closely with delivery teams to ensure commitments are delivered without compromising on GGK values and culture.

Prior to GGK, he worked at Microsoft in Redmond for seven years in various development positions in Internet Explorer, Windows and .NET Framework teams. During this time, he developed many core components, especially for the .NET CLR and ASP.NET products. He later went on to manage application development teams within Microsoft and delivered many enterprise applications. Shyam started his career with CMC Ltd Ports & Cargo group where he was involved in developing large system integration projects involving a broad range of technologies for customers in Malaysia and India.

Shyam has a Master's degree in Computer Science from Indian Institute of Technology (IIT), Kanpur and Bachelor's degree in Computer Science from Osmania University, Hyderabad.
